Mohamed Elhayyany

Technical Customer Success Manager & Business Developer

I keep customers, grow revenue, and automate what slows both down.

PROFILE

Results-driven Customer Success and Business Development professional managing **100+ accounts** across onboarding, technical support, retention, and expansion. Drove a **15% revenue increase in two months** through targeted outreach and account growth. **100+ sales closed** via full-cycle prospecting. Builds production automations (WhatsApp, email, Meta Conversions API) and runs Meta ad campaigns that lift ROAS. Founded a DTC brand and sold **250+ posters in the first 3 months**. Fluent in Arabic, English, and French.

KEY RESULTS

15% revenue growth in 2 months
100+ accounts managed
100+ sales closed
250+ posters sold in 3 months

EXPERIENCE

Technical Customer Success Manager & Business Developer 2025 – Present

SafeApps (eGrow) — SaaS Platform — Marrakech

- Grew company revenue 15% in two months by identifying expansion opportunities and executing targeted outreach campaigns.
- Own full lifecycle of **100+ accounts**: onboarding, adoption, troubleshooting, QBRs, and renewal — directly reducing churn.
- Source new partnerships and B2B accounts, running full-cycle outreach that converts prospects into long-term subscribers — **100+ sales closed**.
- Run **Meta ad campaigns**: audience targeting, creative, and conversion optimisation.
- Ship production automations: WhatsApp order confirmations, delivery tracking, email flows, and **Meta Conversions API** integrations that lift ROAS.
- Create **UGC video content** for the product — scripting, filming, editing — plus tutorials that reduce support volume.

Founder & Operator Jan 2026 – Present

Postry — DTC Wall Art Brand — Marrakech

- Built a DTC print brand end to end: Shopify storefront, pricing, tiered bundles, and product photography.
- Sold **250+ posters in the first 3 months**, reaching monthly profitability with zero outside funding.
- Acquired B2B clients including **Experience Morocco**, plus commissions from artists and creators.

Content Moderator & Team Lead 2022 – 2024

Majorel Outsourcing — Marrakech

- Maintained **98% accuracy** reviewing 500+ posts and ads daily across multiple content categories.
- Trained new moderators, cutting ramp-up time and lifting team throughput.
- Escalated high-risk cases under SLA and analysed data to drive process improvements.

Customer Service Advisor 2021 – 2022

Terrain 360 — Marrakech

- Resolved inbound issues with a focus on de-escalation and first-contact resolution.

Graphic Designer (Freelance) 2021 – 2022

Webhelp Agency — Marrakech

- Delivered visual assets across industries, managing client briefs independently.

EDUCATION

Bachelor's Degree in Economics — Cadi Ayyad University 2022 – 2024
