

Mohamed Elhayyany

TECHNICAL CUSTOMER SUCCESS MANAGER

Marrakech, Morocco | +212 694 561 949 | mohamedelhayyany@gmail.com | med-elh.github.io/portfolio

PROFESSIONAL SUMMARY

Customer-facing professional with over four years of experience across customer success, sales development, and support operations. Currently owns the full client lifecycle at a SaaS company — onboarding and retaining high-priority accounts, running full-cycle outreach that converts prospects into long-term subscribers, and deploying automated workflows that remove manual work for clients. Also founded and runs a direct-to-consumer brand. Fluent in Arabic, English, and French.

CORE COMPETENCIES

- Account Management
- Customer Onboarding & Retention
- Full-Cycle Sales
- Lead Qualification
- Cold Outreach & Prospecting
- Upselling & Renewals
- Technical Support
- Escalation & De-escalation
- Workflow Automation

PROFESSIONAL EXPERIENCE

Technical Customer Success Manager

2025 – Present

SafeApps (eGrow) — Marrakech, Morocco

- Manage a portfolio of high-priority accounts end to end, from onboarding through renewal, resolving complex platform issues and guiding clients toward full product adoption.
- Run full-cycle sales: identify and qualify leads, deliver structured cold outreach, and convert prospects into long-term subscribers while consistently meeting growth targets.
- Architect and deploy custom automated workflows and AI-driven agents tailored to client needs, measurably reducing manual effort and improving operational efficiency for end users.
- Serve as the on-camera face of the brand, producing video content, tutorials, and campaign material that support user acquisition and build trust with prospective customers.

Founder

2026 – Present

Postry — Marrakech, Morocco

- Founded and run a direct-to-consumer wall art brand: built the Shopify storefront, set pricing and bundle structure, and handle production, listings and customer conversations end to end.
- Sold over 250 prints in the first three months, reaching consistent profitability without outside funding.
- Won business clients alongside individual buyers, including Experience Morocco, plus commissions from artists and content creators.

Content Moderator

2022 – 2024

Majorel Outsourcing — Marrakech, Morocco

- Sustained a 98% accuracy rate reviewing hundreds of user posts and advertisements daily against detailed platform policy.
- Trained and mentored incoming moderators on tools and workflows, shortening ramp-up time and lifting overall team productivity.
- Escalated high-risk cases to the appropriate internal teams and authorities under tight time pressure, and analysed moderation data to recommend process improvements.

Customer Service Advisor

2021 – 2022

Terrain 360 — Marrakech, Morocco

- Handled inbound customer issues end to end, specialising in de-escalation and first-contact troubleshooting while protecting satisfaction and account retention.

Graphic Designer (Freelance)

2021 – 2022

Webhelp Agency — Marrakech, Morocco

- Delivered visual assets for clients across multiple industries, managing briefs, revisions, and deadlines directly with each client.

EDUCATION & CERTIFICATIONS

Professional Foundations & Data Analytics — ALX Africa

2024 – 2025

Bachelor's Degree in Economics — Cadi Ayyad University, Marrakech

2022 – 2024
