

Mohamed Elhayyany

TECHNICAL CUSTOMER SUCCESS MANAGER

Marrakech, Morocco • +212 694 561 949 • mohamedelhayyany@gmail.com • med-elh.github.io/portfolio/

PROFESSIONAL SUMMARY

Results-driven Customer Success professional managing **100+ accounts** across the full client lifecycle — onboarding, technical support, retention, and expansion. Drove a **15% increase in company revenue in 2 months** through structured outreach and account growth strategy. Closed **50+ sales** via full-cycle prospecting, qualification, and conversion. Builds production-grade automations (WhatsApp, email, Meta Conversions API) that eliminate manual work and improve ad attribution for clients. Founded and scaled a DTC e-commerce brand to **250+ units sold in 90 days**. Fluent in Arabic, English, and French; working Spanish.

KEY ACHIEVEMENTS

- **15%** revenue growth in 2 months
- **100+** accounts managed end to end
- **50+** sales closed via cold outreach
- **250+** products sold in 90 days (Postry)

CORE COMPETENCIES

- Account Management
- Customer Onboarding & Retention
- Full-Cycle Sales (B2B/B2C)
- Lead Qualification & Prospecting
- Revenue Growth & Expansion
- Upselling & Renewals
- Technical Troubleshooting
- Workflow & Process Automation
- Meta Ads & Conversions API

PROFESSIONAL EXPERIENCE

Technical Customer Success Manager 2025 – Present

SafeApps (eGrow) — SaaS Platform — Marrakech

- **Grew company revenue 15% in 2 months** by identifying expansion opportunities within existing accounts and executing targeted outreach campaigns.
- Own the full lifecycle of **100+ customer accounts**: onboarding, platform adoption, technical troubleshooting, QBRs, and renewal — directly reducing churn.
- Close **50+ net-new deals** through full-cycle sales: lead sourcing, qualification, structured cold outreach, and conversion to long-term subscriptions.
- Ship production automations for clients: WhatsApp order confirmations, delivery-tracking notifications, transactional email flows, and **Meta Conversions API** integrations that lift ROAS by improving server-side attribution.
- Produce video content and tutorials that drive user acquisition and reduce support volume.

Founder & Operator Jan 2026 – Present

Postry — DTC Wall Art Brand — Marrakech

- Built and launched a direct-to-consumer print brand end to end: Shopify storefront, pricing architecture, tiered bundle selector, and product photography.
- Sold **250+ prints in 90 days**, reaching consistent monthly profitability with zero outside funding and no recurring SaaS costs.
- Acquired B2B clients including **Experience Morocco**, plus repeat commissions from artists and content creators.

Content Moderator & Team Lead 2022 – 2024

Majorel Outsourcing — Marrakech

- Maintained **98% policy-accuracy rate** reviewing 500+ user posts and ads daily across multiple content categories.
- Trained and mentored new moderators, cutting average ramp-up time and lifting team throughput measurably.
- Escalated high-risk cases (illegal activity, credible threats) under SLA and analysed moderation data to drive process improvements.

Customer Service Advisor 2021 – 2022

Terrain 360 — Marrakech

- Resolved inbound issues end to end with a focus on de-escalation and first-contact resolution, protecting customer satisfaction and retention.

Graphic Designer (Freelance) 2021 – 2022

Webhelp Agency — Marrakech

- Delivered visual assets across multiple industries, managing client briefs, revision cycles, and deadlines independently.

EDUCATION

Professional Foundations & Data Analytics — ALX Africa 2024 – 2025

Bachelor's Degree in Economics — Cadi Ayyad University, Marrakech 2022 – 2024
